

BULLETIN NUMBER 3

CAMS PERMIT NUMBER 810/2908/01
Issued by Clerk of Course 1600hrs 10th August 2010

TO: All Competitors
FROM: Clerk of Course
No of pages: 1 Attachments: 1

1. Article 25 – Prizes, Trophies and Awards Additional Trophy

An additional Trophy has been added.
1st AMTC (Showroom) with Red Book Value under \$140,000.00

2. Amendment to Article 6.5 – Car Washing

Service Crew and/or Competitors will have access to Parc Ferme for 20 minutes prior to departure time on Friday morning for the purposes of cleaning the car in preparation for the Ceremonial Start in Murray Street Mall. Crews will need to provide own water. It would be preferable to use a waterless cleaning product.

3. Itinerary

The latest version of the Itinerary is attached. Competitors should note there is now no gap after the 40th car leaving the Kalamunda Service TC5B. All Competitors will leave at 30-second Intervals.

4. RAC Driving Centre 1 & 2

To avoid congestion at the RAC Driving Centre crews are request to not arrive early at TC3 or TC11.

Cars will start SS3 & SS11 in groups of 5 at approximately 15 second intervals with the next group of 5 cars starting when the last car of the previous group has started the final lap. Timing will be by breaking a beam at the Start & Finish Points.

After having their times recorded at the Stop Point of SS3 & SS11 crews are authorised to book out of TC3A & TC11A early.

5. Killarnée City of Perth Stage 1,2 & 3

For SS29, 30 & 31 there will be no Time, Start or Stop Controls. Timing will be by breaking a beam at the Start Line and breaking a beam at the Flying Finish. Time for the Stages will be available from the Quit Targa West marquee in the Assembly Area.

All crews should be ready to run immediately after the 1st Car Due Start Time. Cars will be starting at approximately 15 second intervals. Officials will line cars in the Order they Started Leg 3.

6. CAMS Bulletins

Competitors should be aware of the following CAMS Bulletins recently released.

Exhausts
