

Delivering Complete Satisfaction

# NORTHSIDE NISSAN

HOME OF THE LEGENDARY NISSAN GT-R.  
**PASSION AND PERFORMANCE.**

Northside Nissan has been a High Performance Centre since April 2009 due to our high rating in customer satisfaction and our capacity to provide complete support for all Nissan high performance vehicles. We have specialised sales staff with a vast knowledge of all things high performance and our customers receive specialist attention and extensive aftersales care following their purchase, as well as a team of qualified technicians on hand to accurately service and repair their vehicles.

Our dealership houses only the very latest in technology and advanced diagnostic equipment and our technicians fit only genuine Nissan parts.
