

Welcome message from Healthway

As naming rights sponsor of QUIT Targa West, Healthway extends a very warm welcome to all participants and spectators.

This is the seventh year that Healthway has supported QUIT Targa West and once again we are delighted to play a major role in this exciting event.

QUIT is an important health message. It has encouraged many West Australians to give up smoking and once again, we expect our partnership with QUIT Targa West to ensure that the message reaches many people from all walks of life who come together to enjoy tarmac rallying at its best.

We look forward to working with QUIT Targa West this year to encourage even more West Australians to quit smoking.

David Malone
Executive Director
Healthway

Welcome to QUIT Targa West 2011, one of the most prestigious events on the Australian tarmac rally calendar. Rally action starts on Thursday 25th August in Whiteman Park and finishes with the Killarnée City of Perth Super Stage Grand Finale on the Swan River foreshore along Riverside Drive in the heart of the City of Perth.

The 4 days of action packed rallying includes closed tarmac road Special Stages in some of the best locations in Kalamunda, Toodyay and Bullsbrook. The best news is that all spectating is totally **FREE**.

The rally will provide spectators and local residents with a visual feast of live rally action and static car displays, providing opportunities to admire the cars, view the action and meet the drivers and co-drivers.

Best of all for residents located in the various Special Stage areas, the action is delivered right to your doorstep, where you can invite over your family and friends for a great social gathering and enjoy the spectacle unfolding before you.

This Spectator Guide contains all the information you will need to make the most of this QUIT Targa West weekend.

We certainly hope you thoroughly enjoy the rally.

Ross Tapper Bob Schrader
