

Proposed
MALAGA
CAR RALLY
SPECIAL STAGE

Quit
TARGA WEST
TARMAC RALLY '12

SUNDAY - 19 AUGUST 2012

As part of the 2012 QUIT Targa West Tarmac Rally held over four days from 16th to 19th August, it is proposed to run a Special Stage in MALAGA on Sunday morning on 19th August 2012.

Subject to Council and Police approval, the roads and area bounded by the Special Stage route shown in RED on the map provided overleaf would be closed to all public traffic from approximately 8.30am to 12.00 noon. In the case of a non-rally emergency the Rally would be immediately shut down and the appropriate roads re-opened to service the emergency.

A survey of Malaga businesses and land owners has been conducted to gauge the level of support for the event.

The Rally provides an ideal opportunity for those organisations in Malaga with premises on the stage route to have a staff party and/or invite corporate guests over to enjoy the spectacle and action of the rally cars as they race against the clock past your front gate. Further details and exact road closure times will be available once the evaluation process has been completed and approvals gained.

SPONSORSHIP OPPORTUNITY - The opportunity exists to have the naming rights sponsorship of this Malaga rally stage and if you are interested in discussing this please call Bob Schrader (Event Director) on 0411 881 909.
