

## 2007 Event Dates Set

We are delighted to announce the dates for the third running of the annual QUIT Targa West tarmac rally – these being the **6<sup>th</sup> to the 9<sup>th</sup> of September 2007**.

We will be officially 'launching' the rally at the beginning of February '07 and will announce a date and venue for this in early January.

At the time of the launch we will also make available via our web site the full details planned for 2007 as well as be releasing Entry Forms and accepting applications.

In the few months since the finish of the 2006 event we have received numerous enquiries for entries in 2007 and are working hard towards accommodating a 100 car entry list for this fast growing event.

We look forward to keeping you abreast of details and hopefully seeing many of you at the launch event in due course!

## Peter Brock – “Live Your Dreams”

Whilst the 2006 rally was a great event, it will of course forever be overshadowed by the tragic accident on day one and the loss of Australia's Motorsport Legend, Peter Brock.

The impact of his loss was there for everyone to see with the news dominating all media

for weeks afterwards – all testimony to the enormous popularity of 'Brocky' and the extent to which he will be missed by all who knew him or whose lives were touched by him.

Our thoughts and best wishes will always be with his family, friends and the many hundreds of thousands of people who looked up to and followed him.

Over the last few months, as rally organisers, we have been deliberately quiet as everyone works through this difficult time, but his memory has never been far from our thoughts during this period.

Motorsport was Peter's passion and all the feedback we have had from family, friends and those that knew him is that the event must go on as the last thing Peter would want, is for the sport he loved to suffer as a result.

We have a range of plans surrounding how we pay our respects with the running of next years event and look forward to keeping you informed as we count down to the rally in September.

In the meantime, we would urge you all to follow Peter's mission and to “Live your Dreams.....”

## The Brock Foundation

As those of you who were at the presentation dinner will know, we raised an additional \$13,200 over and above that raised for Camp Quality via an impromptu auction for the Brock Foundation.

This was a fantastic result and the funds raised have been donated to the foundation who will be using them to continue their great work.

For more information on the foundation please visit [www.peterbrockfoundation.com.au](http://www.peterbrockfoundation.com.au)

## QUIT Targa West on TV

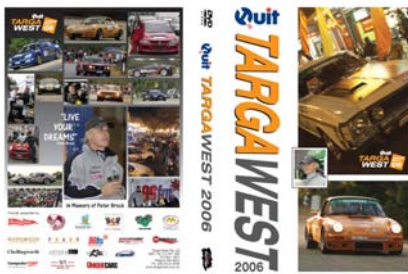

Channel 9 will be broadcasting coverage of the 2006 QUIT Targa West on Saturday the 13<sup>th</sup> of January at 12.30pm.

This will be similar in format to the event DVD, but cut down to suit broadcast purposes and the 1 hour slot that it has been allocated.

Don't forget to tell all your sponsors, supporters, friends and family!!

## DVD's Now Available!

It's been a long time coming, but the 2006 event DVD will be available from next Monday the 18<sup>th</sup> December when the first 100 copies will be with the Pitstop Bookshop.

## 2006 Event Winners!!

Over the course of competition in 2006 we saw some fantastic driving and close competition and we would particularly like to congratulate the winners in each of the 4 categories that we run:

**Ross Dunkerton**  
Modern Competition

**Kevin Clifton**  
Classic Competition

**Mark O'Kane**  
Modern Challenge

**Peter Connaughton**  
Classic Challenge

We would like to say a huge thank you on behalf of **Camp Quality** to all of you who helped us raise such a tremendous sum at the auction on the Sunday Night presentation dinner.

**In total we raised \$ 22,700 for Camp Quality which is a simply fantastic sum!!**

**Camp Quality's** aim is to help children and the families of children affected with cancer with a range of activities and support programs geared towards providing welcome relief and laughter for all those involved.

Its amazing how far these funds can go and the difference it can make and having met with **Camp Quality** post event and worked through how they plan to use the funds we raised, we are pleased to detail below the following allocation:-

\$4,000 – a weekend retreat for families with children affected by Cancer over the weekend 1<sup>st</sup>/2<sup>nd</sup> December. This also allowed the parent's time to get away whilst the kids were being entertained to do some Christmas Shopping!

\$7,000 – a weekend getaway in Mandurah for families whose children have been diagnosed

with cancer within the past 6 months.

\$7,000 – a weekend retreat in June for families who have lost a child through cancer. For many this will be the first opportunity to be with people who truly understand.

The remainder of the funds raised have been allocated to "Family Aid". Camp Quality regularly receives requests from Princess Margaret Hospital to address special needs for a child in care and these are allocated on a one to one basis as needs dictate.

**The smile says it all !!**

We are immensely grateful for everyone who supported Camp Quality through a donation or auction bid and can assure you that with 88 cents in the dollar going straight through to the programs they deliver, that your money is being well spent and greatly appreciated!

## Happy Christmas

On behalf of all of us here at QUIT Targa West, we would like to wish you all a Happy Christmas and a prosperous New Year and we will be in touch next early in 2007!!
