Motorsport Australia PERMIT NUMBER

Issued: 1600hrs Tuesday 3 August 2021

TO: All Competitors

FROM: Clerk of the Course

No. of page: 4 in total including Attachments: 2

1. Road Book

Motorsport Australia are reviewing the total safety of tarmac rallies. This has required a change to the Road Book and potentially some more in the coming weeks. The Road Book has been changed on the website, it is still a draft.

- Leg 1 Corrections on Liaisons
- Leg 2 Forch added as a sponsor of the Kalamunda Stages
- Leg 3 2 additional Chicanes added to the Timberden West and Timberden West Stages, see attached pages from the road book.
- Leg 4 No changes.

2. Forch Kalamunda Stage Award

The competitor with the combined least amount of accumulated difference between the Forch Kalamunda East 1 & 2 and the Forch Kalamunda 1 & 2 will win Forch products to the value of \$500

Example:

Kalamunda East 1	7:39 plus Kalamunda East 2	7:37 difference = 2 seconds
Kalamunda 1	7:58 plus Kalamunda 2	7:57 difference = 1 seconds
Accumulated difference is 3 seconds		

In case of more than one competitor having the same difference, RallySafe Split Second Timing will be used to determine the lower time. If this is still the same time, the Prize Money will be divided between the winners.

3. Targa West Online (TWO)

Over the last 6 months we have been building a new Online System for Officials Registration which is now up and running and a new Entry System for Competitors. This is almost finalised and will be opening for competitors in the coming days. David has entered all those and who have entered on the previous system and Jan has carried over all debits and credits.
