1. Reconnaissance of Wanneroo & Zig Zag Stages

Further to Targa West Sporting Regulations Article 8 – Reconnaissance

Competition cars ARE NOT to be used for Reconnaissance of the Wanneroo Stage.

Competition cars may be used for Reconnaissance of the Zig Zag Stage.

2. Failure to Activate RallySafe if Stopped on Stage

On stopping on stage, failure to push either button on RallySafe within a max of 1 minute will result in a report to Stewards for possible further action.

In the event of a car stopping on course a message is sent to Race Control containing the status of the vehicle. When stopped on course, Race Control needs to know that the crew of the car are OK. To do this simply select "OK" on the unit. The unit will beep as a reminder until the "OK" has been selected, a counter displays the time taken to press the OK.

If the car is in a hazardous location and it will be necessary for the following cars to slow to safely pass you select "HAZARD" so that the following cars have the required warning.

If you require Medical or Fire Assistance select "SOS"
