

Application for “In Car” Recording Approval

NOTE: Please complete, sign and return this form to the Event Secretary prior to the close of Documentation.

Competitors who compete with on-board cameras will be required to run with an event sponsor dashboard mounted sign that will be provided at Documentation.

Driver Name:

Competitors Car Number: (if known) Make/Model:

I am a competitor in Targa West and I am aware that Targa West Pty Ltd, as the organiser of Targa West owns the telecasting rights for the event.

I intend to use recording equipment both within my car and/or elsewhere during the event, to record footage/images of the event.

I acknowledge the requirement within the Supplementary Regulations in relation to securely fitting and tethering all in car recording equipment.

I acknowledge that all recorded images will only be used for private purposes, without prior written approval from Targa West Pty Ltd.

I agree to provide all recordings from any cameras installed in or on my competition vehicle to Targa West Pty Ltd as soon as possible after or during the event and consent to Targa West Pty Ltd using same for their purpose of documenting or promoting the event.

I seek permission from Targa West Pty Ltd to use the material as listed below.

INTENDED USE

	Television Programme (please provide details of proposed telecast date, network etc)
	Internet – Moving footage or still shots (please outline intended use and profile)
	Advertising Campaign (please supply full details of campaign)
	I do not intend to use recorded footage/images for commercial purposes now, or at any time in the future.
