

RALLYSAFE SCRUTINEERING FORM

Event:

Date:

Car No.

Name:

The RallySafe GPS Tracking and Safety System is being utilised at this event.

Competitors are required to make provision in their competition vehicle for the RallySafe GPS Safety and Tracking System and **must have a RallySafe power loom, antennas and mounting kit installed prior to scrutiny.**

The RallySafe GPS tracking unit screen may be allocated to competitors at documentation and or scrutiny.

Installation instructions are available at <http://rallysafe.com.au/wp-content/uploads/2014/02/Rallysafe-Fitting-Kit-Instructions-2013-V4.0.pdf>

For your safety, it is imperative that the RallySafe system be wired to permanent 12v power. (Directly to the battery or the battery side of the isolator) with a 5Amp max fuse). (or OBD II Connector if utilised)

Competitors should familiarise or update themselves with the use of the RallySafe System by referencing the video and documents on this page of our web site: <http://rallysafe.com.au/2013/02/competitors/>

Damage Waiver: Scrutineers Signature:.....

RallySafe advises the event and entrants, there is a single or multi event damage waiver available to cover the RallySafe Safety & Tracking Units for damage or fire (not Theft) during an event, this waiver can be purchased directly in the RallySafe Online Shop here: <http://rallysafe.com.au/shop/>

The Competitor acknowledges that by not electing to take up the damage waiver offer, any damage (or Theft) of the RallySafe Safety & Tracking Unit will be invoiced back to the Competitor.

Damage Waiver Option Taken Yes / No Sighted Proof of Purchase Yes / No

If you are ever unsure of RallySafe operation or have any questions, always ask the event rallysafe representative.

We hope you and your team have a fun, safe event.
